

The diagram illustrates a series of dependencies or groupings between individuals, organized into several distinct sections:

- Top Section:**
 - A box containing "Craig AMBLER" and "Ivan RESNEKOV" (with dates "11-8, 11-4, 11-2") is connected to a box containing "Craig AMBLER" (with date "11-7, 11-7, 11-9").
 - This box is further connected to a large box containing "Daniel SANTAMARIA" (with date "11-9, 5-11, 11-8, 11-8") and "Jason MCLAUCHLAN".
 - The "Daniel SANTAMARIA" box is connected to a box containing "Lloyd ALEXANDER" (with date "11-7, 12-10, 11-5") and "Jonathan COOK".
 - The "Lloyd ALEXANDER" box is connected to a box containing "Stephen HAMILTON" (with date "7-11, 6-11, 7-11") and "Jason MCLAUCHLAN".
- Middle Section:**
 - A box containing "Daniel SANTAMARIA" (with date "12-14, 11-7, 11-5, 7-11, 11-6") and "Lloyd ALEXANDER" is connected to a box containing "Ryan HANNAN" (with date "C3 MAA Sat Oct 08, 3pm").
- Bottom Section:**
 - A box containing "Ivan RESNEKOV" (with date "3-11, 6-11, 2-11") and "Ryan HANNAN" is connected to a box containing "Jonathan COOK" (with date "11-4, 12-10, 11-7") and "Stephen HAMILTON".

Connections are shown as horizontal lines from the left side of one box to the right side of another, indicating a flow or dependency.
